

Provided that restrictions specified under paras 1 and 2 above shall not apply to cattle inoculated at least ten days prior to the date of such movement, sale or exchange.

3. That no person shall bring any cattle from such infected area to any cattle market or fair.

4. Persons intending taking cattle to Ottley cattle and Vegetable Farm from Chitaldrug, Hassan and other Districts should before entering the limits of Kadur District invariably obtain the necessary certificate from Veterinary Officer of the Districts of Chitaldrug, Hassan, to the effect that the cattle are inoculated successfully against 'Rinderpest' and are inoculated ten days prior to such movement as the movement of infected cattle from place to place helps the spread of Rinderpest. The certificate should describe in detail each individual animal protected by inoculation.

5. Any action done in contravention of this order will render the offender liable on conviction to a fine which may extend to Rs. 50 and to a further fine of Rs. 5 for every day during which the breach continues. This will be in force for one month with effect from 8th January 1944.
